Subject: Statement PFAS and product listing

To whom it may concern,

We hereby confirm that the products listed in Table 1 and Table 2 are free from per- and polyfluoroalkyl substances (PFAS), including polytetrafluoroethylene (PTFE). The starting batch number shown with each product indicates when the PFAS-free formulation became effective.

The tables also indicates those products that have been registered by NSF through the analyses program for compliance with NSF 537.
